

SIGN UP for City of Morrison Citizen Alert Notification System

Receive alerts during emergencies.

Your safety is our priority. That's why the City of Morrison wants to make sure you know about emergencies and incidents as they happen. By opting into the City of Morrison Citizen Alert Notification System, you'll be informed before, during, and after incidents that could impact your safety.

The City of Morrison Citizen Alert Notification System, powered by Everbridge, will allow us to send you messages about situations as they happen across multiple devices, including your home phone, mobile devices, email and more.

For this system to be successful, we need your contact information so we can reach you in the event of an emergency or other public alerts. Your information is safe with us. The City of Morrison will not sell or share your personal information with any third-party organizations.
