Attach a drawing of the proposed sign to scale indicating height, dimensions, wording, and elevation and state specifically the type of sign, location on the lot, and any landscaping of a freestanding sign base. The drawing should show the entire lot complete with setbacks to all property lines, existing building footprint, signs, north arrow, and scale.

No sign shall be constructed, erected, originally painted, converted, altered, rebuilt, enlarged, remodeled, relocated, or expanded until a permit for such sign has been obtained in accordance with the standards and procedures set forth by the City of Morrison. This means that no sign shall be installed BEFORE a permit is issued. A violation of this ordinance could result in a fine and double the permit fee. No permit shall be required for repainting, cleaning, and other normal maintenance or repair of a sign, or for changing copy on a sign specifically designed for the use of changeable copy, provided it complies with the Zoning Ordinance. No sign shall be attached to a tree, telephone pole, or other utility structure. No sign shall be erected or located in a public right-of-way except as authorized by the public entity responsible for the right-of-way.

A permit is required for all signs with the following exceptions: **Temporary real estate signs** not to exceed an area of five (5) square feet and not to exceed a time of six (6) months; **temporary garage sale and open house signs** not to exceed an area of five (5) square feet, not to be erected more than twenty-four (24) hours prior to the event, and to be removed immediately following the event; **temporary political signs** not to exceed an area of six (6) square feet per sign and twenty-five (25) square feet per lot and not to be erected more than sixty (60) days prior to an election and must be removed seven (7) days following an election; **temporary event signs** not to exceed an area of fifteen (15) square feet and not to be erected more than seven (7) days prior to an event and must be removed two (2) days following an event; **temporary contractor's or developer's signs** not to exceed an area of thirty (30) square feet per construction project and must be removed prior to the issuance of the Certificate of Occupancy; **commemorative plaques** located on designated historical or other similar properties; **government or municipal signs** pertaining to necessary signs directed by any statute or ordinance; **signs within completely enclosed buildings** and not visible from the outside of the building; **home occupation signs** not exceeding an area of one (1) square foot and not illuminated; and **nameplate signs** not to exceed an area of one (1) square foot.
