

National Register Historic District Benefits Meeting

April 21—6:30 p.m.

If your building is located in a National Historic District you will want to participate in this free workshop which will outline how to maximize the possible economic benefits of this program.

A representative from the Illinois Historic Preservation Agency will also be available for building site visits earlier in the day for one-on-one consultation. Please register for this in advance by contacting Barb King at City Hall at 815-772-7657.
