Section 5. Book Entry Provisions. The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of “Cede & Co.”, or any successor thereto, as nominee of the Depository. All of the outstanding Bonds from time to time shall be registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The City Administrator, as representative of the City, is authorized to execute and deliver on behalf of the City, and as such agent for the City, such letters to or agreements with the Depository as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “Representation Letter”). Without limiting the generality of the

authority given with respect to entering into such Representation Letter, it may contain provisions relating to (a) payment procedures, (b) transfers of the Bonds or of beneficial interests therein, (c) redemption notices and procedures unique to the Depository, (d) additional notices or communications, and (e) amendment from time to time to conform with changing customs and practices with respect to securities industry transfer and payment practices.

With respect to Bonds registered in the Bond Register in the name of Cede & Co., as nominee of the Depository, none of the City, the Paying Agent or the Bond Registrar shall have any responsibility or obligation to any broker-dealer, bank or other financial institution for which the Depository holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “Depository Participant”) or to any person on behalf of whom such a Depository Participant holds an interest in the Bonds. Without limiting the meaning of the immediately preceding sentence, the City, the Paying Agent and the Bond Registrar shall have no responsibility or obligation with respect to (a) the accuracy of the records of the Depository, Cede & Co., or any Depository Participant with respect to any ownership interest in the Bonds, (b) the delivery to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (c) the payment to any Depository Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to principal of or interest on the Bonds. No person other than a registered owner of a Bond as shown in the Bond Register shall receive a Bond certificate with respect to any Bond. Upon delivery by the Depository to the Bond Registrar of written notice to the effect that the Depository has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions hereof with respect to the payment of interest to the registered owners of Bonds

at the close of business on the applicable record date, the name “Cede & Co.” in this Ordinance shall refer to such new nominee of the Depository.

In the event that (a) the City determines that the Depository is incapable of discharging its responsibilities described herein and in the Representation Letter, (b) the agreement among the City, the Paying Agent and Bond Registrar, and the Depository evidenced by the Representation Letter shall be terminated for any reason or (c) the City determines that it is in the best interests of the City or of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify the Depository and the Depository shall notify the Depository Participants of the availability of Bond certificates, and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede & Co., as nominee of the Depository. The City may determine that the Bonds shall be registered in the name of and deposited with a successor depository operating a book-entry system, as may be acceptable to the City, or such depository’s agent or designee, but if the City does not select such alternate book-entry system, then the Bonds shall be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions hereof.

Section 6. Execution; Authentication. The Bonds shall be executed on behalf of the City by the manual or duly authorized facsimile signature of its Mayor and attested by the manual or duly authorized facsimile signature of its City Clerk, as they may determine, and shall have impressed or imprinted thereon the corporate seal or facsimile thereof of the City. In case any such officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. All Bonds shall have thereon a certificate of authentication, substantially in the form hereinafter set forth, duly executed by the

Bond Registrar as authenticating agent of the City and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Ordinance unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Ordinance.

Section 7. Redemption. (a) Optional Redemption. The Bonds due on and after the date, if any, specified in the Bond Order, shall be subject to redemption prior to maturity at the option of the City from any available funds, as a whole or in part, and if in part in integral multiples of \$5,000 in any order of their maturity as determined by the City (less than all of the Bonds of a single series and maturity to be selected by the Bond Registrar), on the date specified in the Bond Order, and on any date thereafter, at the redemption price (expressed as a percentage of the principal amount being redeemed) of not to exceed 103% of par plus accrued interest to the date fixed for redemption, as provided in the Bond Order.

(b) Mandatory Redemption. The Bonds maturing on the date or dates, if any, indicated in the Bond Order, are subject to mandatory redemption, in integral multiples of \$5,000 selected by lot by the Bond Registrar, at a redemption price of par plus accrued interest to the redemption date on December 15 of the years, if any, and in the principal amounts, if any, as indicated in the Bond Order.

The principal amounts of Bonds to be mandatorily redeemed in each year may be reduced through the earlier optional redemption thereof, with any partial optional redemptions of such Bonds credited against future mandatory redemption requirements in such order of the mandatory redemption dates as the City may determine. In addition, on or prior to the 60th day preceding

any mandatory redemption date, the Bond Registrar may, and if directed by the Board shall, purchase Bonds required to be retired on such mandatory redemption date. Any such Bonds so purchased shall be cancelled and the principal amount thereof shall be credited against the mandatory redemption required on such next mandatory redemption date.

Section 8. Redemption Procedure. For a mandatory redemption, the Bond Registrar shall proceed to redeem Bonds without any further order or direction from the City whatsoever. For optional redemption, the City shall, at least thirty (30) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Bond Registrar), notify the Bond Registrar of such redemption date and of the maturities and principal amounts of Bonds to be redeemed. For purposes of any redemption of less than all of the Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected by lot not more than sixty (60) days prior to the redemption date by the Bond Registrar for the Bonds of such maturity by such method of lottery as the Bond Registrar shall deem fair and appropriate; *provided*, that such lottery shall provide for the selection for redemption of Bonds or portions thereof so that any \$5,000 Bond or \$5,000 portion of a Bond shall be as likely to be called for redemption as any other such \$5,000 Bond or \$5,000 portion.

The Bond Registrar shall promptly notify the City and the Paying Agent in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Unless waived by the registered owner of Bonds to be redeemed, official notice of any such redemption shall be given by the Bond Registrar on behalf of the City by mailing the redemption notice by first class mail not less than 30 days and not more than 60 days prior to the date fixed for redemption to each registered owner of the Bond or Bonds to be redeemed at the address shown

on the Bond Register or at such other address as is furnished in writing by such registered owner to the Bond Registrar.

All official notices of redemption shall include at least the information as follows:

- (a) the redemption date;
- (b) the redemption price;
- (c) if less than all of the outstanding Bonds of a particular maturity are to be redeemed, the identification (and, in the case of partial redemption of Bonds within such maturity, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the redemption date the redemption price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after said date; and
- (e) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the office maintained for the purpose by the Paying Agent.

Such additional notice as may be agreed upon with the Depository shall also be given as long as any Bonds are held by the Depository.

Prior to any redemption date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price), such Bonds or portions of Bonds shall cease to bear interest. Neither the

failure to mail such redemption notice, nor any defect in any notice so mailed, to any particular registered owner of a Bond, shall affect the sufficiency of such notice with respect to other registered owners. Notice having been properly given, failure of a registered owner of a Bond to receive such notice shall not be deemed to invalidate, limit or delay the effect of the notice or redemption action described in the notice. Such notice may be waived in writing by a registered owner of a Bond entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by registered owners shall be filed with the Bond Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Paying Agent at the redemption price. The procedure for the payment of interest due as part of the redemption price shall be as herein provided for payment of interest otherwise due. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered owner a new Bond or Bonds of like tenor, of authorized denominations, of the same maturity, and bearing the same rate of interest in the amount of the unpaid principal.

If any Bond or portion of a Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid or duly provided for, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be canceled and destroyed by the Bond Registrar and shall not be reissued.

The City agrees to provide such additional notice of redemption as it may deem advisable at such time as it determines to redeem Bonds, taking into account any requirements or guidance of the Securities and Exchange Commission, the Municipal Securities Rulemaking Board, the

Government Accounting Standards Board, or any other federal or state agency having jurisdiction or authority in such matters; *provided, however*, that such additional notice shall be (1) advisory in nature, (2) solely in the discretion of the City, and (3) not be a condition precedent of a valid redemption or a part of the Bond contract, and any failure or defect in such notice shall not delay or invalidate the redemption of Bonds for which proper official notice shall have been given. Reference is also made to the provisions of the Continuing Disclosure Undertaking of the City with respect to the Bonds, which may contain other provisions relating to notice of redemption of Bonds.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

As part of their respective duties hereunder, the Bond Registrar and Paying Agent shall prepare and forward to the City a statement as to notice given with respect to each redemption together with copies of the notices as mailed and published.

Section 9. Registration and Exchange or Transfer of Bonds; Persons Treated as Owners. The City shall cause the Bond Register to be kept at the office maintained for the purpose by the Bond Registrar, which is hereby constituted and appointed the registrar of the City for the Bonds. The City is authorized to prepare, and the Bond Registrar or such other agent as the City may designate shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Any Bond may be transferred or exchanged, but only in the manner, subject to the limitations, and upon payment of the charges as set forth in this Ordinance. Upon surrender for transfer or exchange of any Bond at the office maintained for the purpose by the Bond Registrar,

duly endorsed by or accompanied by a written instrument or instruments of transfer or exchange in form satisfactory to the Bond Registrar and duly executed by the registered owner or an attorney for such owner duly authorized in writing, the City shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees or, in the case of an exchange, the registered owner, a new fully registered Bond or Bonds of like tenor, of the same maturity, bearing the same interest rate, of authorized denominations, for a like aggregate principal amount.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period from the close of business on the Record Date for an interest payment to the opening of business on such interest payment date, nor to transfer or exchange any Bond after notice calling such Bond for redemption has been mailed, nor during a period of fifteen (15) days next preceding mailing of a notice of redemption of any Bonds.

The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond, and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond; *provided, however,* that the principal amount of Bonds of each maturity authenticated by the Bond Registrar shall not at any one time exceed the authorized principal amount of Bonds for such maturity less the amount of such Bonds which have been paid.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Date identified above (subject to right of prior redemption as hereinafter stated), the Principal Amount identified above and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on such Principal Amount from the later of the Dated Date of this Bond identified above or from the most recent interest payment date to which interest has been paid or duly provided for, at the Interest Rate per annum identified above, such interest to be payable on June 15 and December 15 of each year, commencing June 15, 2017, until said Principal Amount is paid or duly provided for. [The City will use cash on hand to cover debt service through June 15, 2017.]

The principal of this Bond is payable in lawful money of the United States of America upon presentation hereof at the corporate trust office of Zions Bank, a division of ZB, National Association, Chicago, Illinois (the "*Paying Agent*" or "*Bond Registrar*"). Payment of interest shall be made to the Registered Owner hereof as shown on the registration books of the City maintained by Bond Registrar at said location at the close of business on the applicable Record Date. Interest shall be paid by check or draft of the Paying Agent, payable upon presentation in lawful money of the United States of America, mailed to the address of such Registered Owner as it appears on such registration books, or at such other address furnished in writing by such Registered Owner to the Bond Registrar, or as otherwise agreed by the City and the Bond Registrar for so long as this Bond is held by The Depository Trust Company, New York, New York, the Depository, or nominee, in book-entry only form as provided for same.

Reference is hereby made to the further provisions of this Bond set forth on the reverse hereof, and such further provisions shall for all purposes have the same effect as if set forth at this place.

It is hereby certified and recited that all conditions, acts and things required by the Constitution and Laws of the State of Illinois to exist or to be done precedent to and in the issuance of this Bond, including the authorizing Act, have existed and have been properly done, happened and been performed in regular and due form and time as required by law; that the indebtedness of the City, represented by the Bonds, and including all other indebtedness of the City, howsoever evidenced or incurred, does not exceed any constitutional or statutory or other lawful limitation; and that provision has been made for the collection of a direct annual tax, in addition to all other taxes, on all of the taxable property in the City sufficient to pay the interest hereon as the same falls due and also to pay and discharge the principal hereof at maturity.

This Bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Bond Registrar.

[FORM OF BOND – REVERSE SIDE]

This bond is one of a series of bonds (the "*Bonds*") in the aggregate principal amount of \$_____ issued by the City for the purpose of paying costs of the Refunding, and of paying expenses incidental thereto, all as described and defined in the ordinance authorizing the Bonds (the "*Ordinance*"), payable as to principal and interest from (i) Telecommunications Taxes, Electric Utility Taxes and Gas Utility Taxes (collectively, the "*Utility Taxes*"), (ii) receipts of the State of Illinois income taxes (such distributive share referred to herein as the "Revenue Sharing Receipts") imposed by the State of Illinois pursuant to the Illinois Income Tax Act and distributed pursuant to the State Revenue Sharing Act (together with "Utility Taxes" and "Revenue Sharing

Receipts," the "Pledged Revenues") and (iii) ad valorem taxes of the City for which its full faith and credit have been irrevocably pledged, unlimited as to rate or amount (the "Pledged Taxes"), all in accordance with the provisions of the Local Government Debt Reform Act of the State of Illinois, as supplemented and amended (the "Debt Reform Act"). The full faith, credit and resources of the City are pledged to the punctual payment of the principal of and interest on the Bonds. This Bond is negotiable, subject to registration provisions, pursuant to the laws of the State of Illinois.

This Bond is subject to provisions relating to registration, transfer and exchange; and such other terms and provisions relating to security and payment as are set forth in the Ordinance, to which reference is hereby expressly made, and to all the terms of which the Registered Owner hereof is hereby notified and shall be subject.

Bonds maturing on and after December 15, 2026, shall be subject to optional redemption prior to optional maturity on December 15, 2025, and on any date thereafter in whole or in part, in any order of maturity specified by the City (but in inverse order if none is specified) at a redemption price equal to the principal amount to be so redeemed, plus accrued interest to the date fixed for redemption.

The City has designated the bonds as qualified tax-exempt obligations to qualify the bonds for the \$10,000,000 exception from the provisions of Section 265(b) of the Internal Revenue Code of 1986 relating to the disallowance of 100% of the deduction for interest expense allocable to tax-exempt obligations.

Section 11. Alternate Bonds; General Obligations; Tax Levy. The Bonds are and constitute Alternate Bonds under the Debt Reform Act, anticipated to be payable from Pledged Revenues. Under and pursuant to Section 15 of the Debt Reform Act, the full faith and credit of the City are hereby irrevocably pledged to the punctual payment of the principal of, premium, if any, and interest on the Bonds; the Bonds shall be direct and general obligations of the City; and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City's corporate limits, for the payment of the Bonds and the interest thereon, without limitation as to rate or amount (such ad valorem taxes being the "Pledged Taxes").

Pledged Revenues are hereby determined by the Corporate Authorities to be sufficient to provide for or pay in each year to final maturity of the Bonds all of the following: **(1)** the debt service on all Outstanding revenue bonds payable from Pledged Revenues, **(2)** all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, **(3)** other contractual or tort liability obligations, if any, payable from such Pledged Revenues, and **(4)** in each year, an amount not less than 1.25 times debt service of all **(i)** Alternate Bonds payable from such Pledged Revenues previously issued and outstanding, and **(ii)** Alternate Bonds payable from such Pledged Revenues proposed to be issued, including the Bonds. The Pledged Revenues shall be and are hereby determined by the Corporate Authorities to provide in each year an amount not less than 1.25 times debt service (as defined in Section 2 of the Debt Reform Act) of Alternate Bonds payable from such revenue sources previously issued and outstanding, and Alternate Bonds proposed to be issued. Such conditions enumerated need not be met for that amount of debt service (as defined in Section 2 of the Debt Reform Act) provided for by the setting aside of proceeds of bonds or other moneys at the time of the delivery of such bonds. The Pledged Revenues are hereby determined by the Corporate Authorities to provide in each year

all amounts required to meet any fund or account requirements with respect to this resolution, any contractual or tort liability obligations, if any, payable from Pledged Revenues, and an amount not less than 1.25 times debt service (as defined in Section 2 of the Debt Reform Act) of all of the Outstanding Bonds, payable from such Pledged Revenues. The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the City, which audit is for a Fiscal Year ending not earlier than 18 months previous to the time of issuance of the Bonds, and not otherwise a “report” under Section 15 of the Debt Reform Act shall be prepared.

For the purpose of providing the money required to pay the interest on the Bonds when and as the same falls due and to pay and discharge the principal thereof as the same shall mature, there shall be levied upon all the taxable property within the City’s corporate limits in each year while any of the Bonds shall be Outstanding, and there is hereby levied, in addition to all other taxes levied by the City, the Pledged Taxes in the amounts for each year not to exceed \$175,000, commencing for each levy year, commencing not before 2016 and ending not later than 2034, as shall be specified in an applicable Bond Order.

The Pledged Revenues and other moneys on deposit in the Bond Fund shall be applied to pay principal of and interest on the Bonds.

Interest or principal coming due at any time when there are insufficient funds on hand from the Pledged Revenues to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the Pledged Revenues or Pledged Taxes herein levied; and when the Pledged Revenues shall have been collected, reimbursement shall be made to said funds in the amount so advanced.

Section 12. Tax Abatement. The City covenants and agrees with the Underwriter and registered owners of the Bonds that so long as any of the Bonds remain outstanding, the City will take no action or fail to take any action which in any way would adversely affect the ability of the City to levy and collect the foregoing tax levy, unless and to the extent there then shall be moneys irrevocably on deposit therefor in the applicable debt service account or accounts established under Section 15 below and in accordance with this Section. The City and its officers will comply with all present and future applicable laws in order to assure that the Pledged Taxes may be levied, extended and collected as provided herein and deposited into the Bond Fund.

In the event that funds from any lawful source are or will be available for the purpose of paying any principal of or interest on the Bonds so as to enable the abatement of the Pledged Taxes, the Corporate Authorities shall, by proper proceedings, direct the deposit of such other funds into the Bond Fund, and further shall direct the abatement of the Pledged Taxes by the amount so deposited. A certified copy or other notification of any such proceedings abating taxes may then be filed with the County Clerk in a timely manner to effect such abatement.

Section 13. Filing with County Clerk. Promptly, as soon as this Ordinance becomes effective, a copy hereof, certified by the City Clerk of the City, shall be filed with the County Clerk; and said County Clerk shall in and for each of the years set forth in the Bond Order, ascertain the rate percent required to produce the aggregate Pledged Taxes hereinbefore provided to be levied in each of said years and subject to abatement as provided in said Section 12; and said County Clerk shall extend the same for collection on the tax books in connection with other taxes levied in said years in and by the City for general purposes of the City; and, subject to abatement as stated hereinabove, in said years such annual tax shall be levied and collected by and for and on

behalf of the City in like manner as taxes for general purposes for said years are levied and collected, and in addition to and in excess of all other taxes.

Section 14. Sale of Bonds. The Bonds shall be executed as in this Ordinance provided as soon after the passage hereof as may be, shall be deposited with the Bond Registrar, and shall be delivered to the Underwriter upon the payment of the purchase price set forth in the Bond Order, said purchase price being not less than 98% of the par amount of the Bonds. The contract for the sale of the Bonds to the Underwriter is hereby in all respects ratified, approved and confirmed, it being hereby declared that no person holding any office of the City, either by election or appointment, is in any manner financially interested, either directly in his own name or indirectly in the name of any other person, association, trust or corporation, in such contract.

Upon the sale of the Bonds, the Designated Officers and any other officers of the City as shall be appropriate, shall be and are hereby authorized and directed to approve or execute, or both, such documents of sale of the Bonds as may be necessary, including, without limitation, a Preliminary Official Statement, Official Statement and closing documents.

The distribution of the Preliminary Official Statement relating to the Bonds is hereby in all respects authorized and approved, and the proposed use by the Underwriter of an Official Statement (in substantially the form of the Preliminary Official Statement but with appropriate variations to reflect the final terms of the Bonds) is hereby approved.

Section 15. Alternate Bond Fund. There is hereby created or continued a special fund of the City, which fund shall be held separate and apart from all other funds and accounts of the City and shall be known as the “Alternate Bond Fund (Series 2016 Bonds)” (which may also be referred to as the “Bond Fund”). The purpose of the Bond Fund is to provide a fund to receive and disburse the Pledged Revenues for the Bonds and to receive and disburse Pledged Taxes for any

(or all) of the Bonds. All Pledged Revenues as required for the Bonds shall be deposited to the credit of the Bond Fund, and all Pledged Taxes shall be deposited to the credit of the Bond Fund. The Bond Fund and any respective accounts therein, constitute a trust fund established for the purpose of carrying out the covenants, terms, and conditions imposed upon the City by this Ordinance. The requisite amount of Pledged Revenues is to be received by the City Administrator or such other designee of the City, as may be authorized, by the officers who collect or receive the Pledged Revenues. The City Administrator or such other designee of the City, as may be authorized, shall thereupon deposit the Pledged Revenues to the credit of the Bond Fund in such amounts, taking into account the prior use of moneys in the Bond Fund, as shall provide for the timely payment of all principal of and interest on the Bonds. Any Pledged Taxes which may be received by the City shall promptly be deposited into the Bond Fund. Pledged Taxes on deposit to the credit of the Bond Fund shall be fully spent to pay the principal of and interest on the Bonds for which such taxes were levied and collected prior to use of any moneys on deposit from Pledged Revenues.

Section 16. Use of Proceeds, Escrow Agreement. The proceeds derived from the sale of the Bonds shall be used as follows:

A. Accrued interest shall be deposited to the credit of the Bond Fund and applied to pay first interest due on such Bonds.

B. A portion of the proceeds of the Bonds and any premium received on the delivery of the Bonds, together with such funds of the City as may be necessary, shall be deposited into a separate fund, hereby created, designated the “*Cost of Issuance Fund*” to be used to pay expenses of issuance of Bonds. Disbursements from such fund shall be made from time to time upon the

direction of the Corporate Authorities. Any excess in said fund shall be deposited to the credit of the Bond Fund and applied to interest due on such Bonds six months after the Dated Date.

C. The sum of principal proceeds of the series of Bonds as is necessary, together with such money as otherwise lawfully available and as may be advisable for the purpose, shall be used to provide for the Refunding. Amounts for the Refunding shall be applied pursuant to the provisions of an escrow or refunding agreement, as applicable, separate for each Refunding as further set forth in the Bond Order. The Mayor and the City Clerk shall be hereby authorized, empowered and directed to execute and deliver one or more escrow or refunding agreements typical in a refunding transaction of this nature with such changes therein as such officers executing such agreements on behalf of the City shall approve, their execution thereof to constitute conclusive evidence of their approval of such changes, all as further set forth in the Bond Order, as applicable. When and if said agreement(s) is executed and delivered on behalf of the City as herein provided, the agreement will be binding on the City and the officers, employees and agents of the City, and the officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of said agreement as executed.

Section 17. Not Private Activity Bonds. None of the Bonds is a “*private activity bond*” as defined in Section 141(a) of the Code. In support of such conclusion, the City certifies, represents and covenants as follows:

A. No direct or indirect payments are to be made on any Bond with respect to any private business use by any person other than a state or local governmental unit.

B. None of the proceeds of the Bonds is to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit.

C. No user of the Prior Projects, other than the City or another governmental unit, will use the same on any basis other than the same basis as the general public; and no person other than the City or another governmental unit will be a user of the Prior Projects as a result of (i) ownership or (ii) actual or beneficial use pursuant to a lease, a management or incentive payment contract, or (iii) any other arrangement.

Section 18. Tax Covenants. In order to preserve the exclusion of interest on the Bonds from gross income for federal tax purposes under Section 103 of the Code and as an inducement to underwriters of the Bonds, the City represents, covenants and agrees that:

A. No more than 10% of the payment of the principal of or interest on the Bonds will be (under the terms of the Bonds, this ordinance or any underlying arrangement), directly or indirectly, (i) secured by any interest in property used or to be used for a private business use or payments in respect of such property or (ii) derived from payments (whether or not to the City) in respect of such property or borrowed money used or to be used for a private business use.

B. No more than 5% of the Bond proceeds will be loaned to any entity or person other than a state or local governmental unit. No more than 5% of the Bond proceeds will be transferred, directly or indirectly, or deemed transferred to a nongovernmental person in any manner that would in substance constitute a loan of the Bond proceeds.

C. The City reasonably expects, as of the date hereof, that the Bonds will not meet either the private business use test described in paragraph (a) above or the private loan test described in paragraph (b) above during the entire term of the Bonds.

D. Neither the City nor the Corporate Authorities will take any action or fail to take any action with respect to the Bonds that would result in the loss of the exclusion from gross income for federal tax purposes on the Bonds pursuant to Section 103 of the Code, nor will the

City or the Corporate Authorities act in any other manner which would adversely affect such exclusion.

E. It shall not be an event of default under this ordinance if the interest on any Bond is not excludable from gross income for federal tax purposes or otherwise pursuant to any provision of the Code which is not currently in effect and in existence on the date of issuance of the Bonds.

F. These covenants are based solely on current law in effect and in existence of the date of delivery of the Bonds.

Section 19. Bank Qualified Bonds. Pursuant to Section 265(b)(3) of the Code, the City shall designate such Bonds as “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Code. The City by any such designation represents that the reasonably anticipated amount of tax-exempt obligations that will be issued by the City and all subordinate entities (of which there are none) of the City during the calendar year in which the Bonds are issued will not exceed \$10,000,000 within the meaning of or to be taken into account under Section 265(b)(3) of the Code. The City by any such designation covenants that in that connection it will not so designate and issue more than \$10,000,000 aggregate principal amount of tax-exempt obligations in such calendar year. For purposes of this Section, the term “tax-exempt obligations” includes “qualified 501(c)(3) Bonds” (as defined in the Section 145 of the Code) but does not include other “private activity bonds” (as defined in Section 141 of the Code).

Section 20. Registered Form. The City recognizes that Section 149 of the Code requires the Bonds to be issued and to remain in fully registered form in order to be and remain Tax-exempt. In this connection, the City agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 21. Covenants of the City. Subject to the terms and provisions contained in this section, and not otherwise, the City covenants and agrees so long as there are any Outstanding Bonds (as defined herein), as follows:

(a) The City will take all action necessary either to impose, collect, apply or to maintain the right to receive and apply the Pledged Revenues and Pledged Taxes in the manner contemplated by this Ordinance, and such Pledged Revenues shall not be less than as shall be required under Section 15 of the Debt Reform Act to maintain the Bonds as Alternate Bonds.

(b) The City covenants that it will, while any of the Bonds shall remain outstanding, ensure that the Pledged Revenues will be sufficient to provide for or pay each of the following in any given year: (1) debt service on all Outstanding revenue bonds payable from such revenue sources, (2) the debt service on all Outstanding revenue bonds payable from pledged revenue sources, (3) all amounts required to meet any fund or account requirements with respect to such Outstanding revenue bonds, (4) other contractual or tort liability obligations, if any, payable from such pledged revenues, (5) other contractual or tort liability obligations, if any, payable from such revenue sources, and (6) in each year, an amount not less than 1.25 times debt service of all (i) alternate bonds payable from such revenue source previously issued and outstanding and (ii) alternate bonds proposed to be issued (i.e. the Bonds).

(c) The determination of the sufficiency of the Pledged Revenues is expected to be supported by reference to the most recent audit of the City, which audit is for a Fiscal Year ending not earlier than 18 months previous to the time of issuance of the Bonds.

(d) The City will make and keep proper books and accounts (separate and apart from all other records and accounts of the City), in which complete entries shall be made of all transactions related to the Pledged Revenues, and covenants that within 210 days following the

close of each Fiscal Year, it will cause the books and accounts related to the Pledged Revenues to be audited by independent certified public accountants. Such audit will be available for inspection by the registered owners of any of the Bonds. Each such audit, in addition to whatever matters may be thought proper by the accountants to be included therein, shall, without limiting the generality of the foregoing, include the following:

- (i) A balance sheet as of the end of such Fiscal Year, including a statement of the amount held in each of the funds under this Ordinance.
- (ii) The amount and details of all Outstanding bonds.
- (iii) The accountant's comments, if any, regarding the manner in which the City has carried out the accounting requirements of the Ordinance (including as to the Alternate Bond status of the Bonds) and has complied with Section 15 of the Debt Reform Act, and the accountant's recommendations for any changes.

(e) The City will keep its books and accounts in accordance with generally accepted accounting principles for local government entities and enterprise funds; provided, however, that the credits to the Bond Fund shall be in cash, and such funds shall be held separate and apart in cash and investments. For the purpose of determining whether sufficient cash and investments are on deposit in such accounts under the terms and requirements of this Ordinance, investments shall be valued at market price on the valuation date thereof, which valuation date shall be not less frequently than annually.

(f) The City will take no action in relation to the Pledged Revenues or the Pledged Taxes which would unfavorably affect the security of the Bonds or the prompt payment of the principal and interest thereon or the 125% coverage required in subsection (b) above to maintain the Bonds as "alternate bonds" under Section 15 of the Debt Reform Act.

(g) The owner of any Bond may proceed by civil action to compel performance of all duties required by law and this Ordinance.

Section 22. Further Tax Covenants. The City agrees to comply with all provisions of the Code which, if not complied with by the City, would cause the Bonds not to be Tax-exempt. In furtherance of the foregoing provisions, but without limiting their generality, the City agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in certificates or agreements as may be prepared by Bond Counsel; (c) to consult with Bond Counsel and to comply with such advice as may be given; (d) to file such forms, statements and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys and other persons to assist the City in such compliance.

The City further certifies and covenants as follows with respect to the requirements of Section 148(f) of the Code, relating to the rebate of “excess arbitrage profits” (the “Rebate Requirement”) to the United States:

A. Unless an applicable exception to the Rebate Requirement is available to the City, the City will meet the Rebate Requirement.

B. Relating to applicable exceptions, the City Administrator or the Mayor is hereby authorized to make such elections under the Code as either such officer shall deem reasonable and in the best interests of the City. If such election may result in a “penalty in lieu of rebate” as provided in the Code, and such penalty is incurred (the “Penalty”), then the City shall pay such Penalty.

C. The Designated Officers shall cause to be established, at such time and in such manner as they may deem necessary or appropriate hereunder, a “2016 General Obligation Refunding Bonds Rebate or Penalty, if applicable, Fund” (the “148 Compliance Fund”) for the

Bonds, and such officers shall further, not less frequently than annually, cause to be transferred to the 148 Compliance Fund the amount determined to be the accrued liability under the Rebate Requirement or Penalty. Said Designated Officers shall cause to be paid to the United States Treasury, without further order or direction from the Corporate Authorities, from time to time as required, amounts sufficient to meet the Rebate Requirement or to pay the Penalty.

D. Interest earnings in the Bond Fund are hereby authorized to be transferred, without further order or direction from the Corporate Authorities, from time to time as required, to the 148 Compliance Fund for the purposes herein provided; and proceeds of the Bonds and other funds of the City are also hereby authorized to be used to meet the Rebate Requirement or to pay the Penalty, but only if necessary after application of investment earnings as aforesaid and only as appropriated by the Corporate Authorities.

The City also certifies and further covenants with the Underwriter and registered owners of the Bonds from time to time outstanding that moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other source, will not be used in a manner which will cause the Bonds to be “arbitrage bonds” within the meaning of Code Section 148 and any lawful regulations promulgated thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised.

Section 23. Noncompliance with Tax Covenants. Notwithstanding any other provisions of this Ordinance, the covenants and authorizations contained in this Ordinance (the “Tax Sections”) which are designed to preserve the exclusion of interest on the Bonds from gross income under federal law (the “Tax Exemption”) need not be complied with if the City receives an opinion

of nationally recognized bond counsel that any Tax Section is unnecessary to preserve the Tax Exemption.

Section 24. Opinion of Counsel Exception. The City reserves the right to use or invest moneys in connection with the Bonds in any manner, notwithstanding the tax-related covenants set forth in Sections 19 through 26 herein, *provided* it shall first have received an opinion from Bond Counsel (or, in the event that Bond Counsel is unable or unwilling to provide such opinion, then from another attorney or a firm of attorneys of nationally recognized standing as bond counsel) to the effect that use or investment of such moneys as contemplated is valid and proper under applicable law and this Ordinance and, further, will not adversely affect the Tax-exempt status for the Bonds.

Section 25. Rights and Duties of Bond Registrar and Paying Agent. The Bond Registrar and Paying Agent shall:

- (a) act as bond registrar, paying agent, authenticating agent, and transfer agent as provided herein;
- (b) maintain a list of Bondholders as set forth herein;
- (c) cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer; and
- (d) furnish the City at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 26. Defeasance. Any Bond or Bonds which (a) are paid and canceled, (b) which have matured and for which sufficient sums been deposited with the Paying Agent to pay all principal and interest due thereon, or (c) for which sufficient funds and Defeasance Obligations have been deposited with the Paying Agent or similar institution having trust powers

to pay, taking into account investment earnings on such obligations, all principal of and interest on such Bond or Bonds when due at maturity or as called for redemption, pursuant to an irrevocable escrow or trust agreement, shall cease to have any lien on or right to receive or be paid from the Pledged Taxes hereunder and shall no longer have the benefits of any covenant for the registered owners of outstanding Bonds as set forth herein as such relates to lien and security of the outstanding Bonds. All covenants relative to the payment, registration, transfer, and exchange; are expressly continued for all Bonds whether outstanding Bonds or not. For purposes of this section, “Defeasance Obligations” means (a) direct and general full faith and credit obligations of the United States Treasury (“Directs”), (b) certificates of participation or trust receipts in trusts comprised wholly of Directs or (c) other obligations unconditionally guaranteed as to timely payment by the United States Treasury.

Section 27. Continuing Disclosure Undertaking. Any Designated Officer is hereby authorized to execute and deliver the Continuing Disclosure Undertaking, in customary form as previously executed by the City and as provided by Bond Counsel, to effect compliance with Rule 15c2-12 adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934. When such Continuing Disclosure Undertaking is executed and delivered on behalf of the City, it will be binding on the City and the officers, agents, and employees of the City, and the same are hereby authorized and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the provisions of such Continuing Disclosure Undertaking as executed and delivered. Notwithstanding any other provisions hereof, the sole remedies for failure to comply with such Continuing Disclosure Undertaking shall be the ability of the beneficial owner of any Bond to seek mandamus or specific performance by court order, to cause to the City to comply with its obligations thereunder.

Section 28. Municipal Bond Insurance Policy. In the event the Underwriter certifies to the City that it would be economically advantageous for the City to acquire a Policy for the Bonds, the City hereby authorizes and directs the City Administrator or other Designated Officer to obtain such an insurance policy, as shall be further set forth in the Bond Order. The acquisition of a Policy is hereby deemed economically advantageous if the difference between the present value cost of (a) the total debt service on the Bonds if issued without municipal bond insurance and (b) the total debt service on the Bonds if issued with municipal bond insurance, is greater than the cost of the premium on the municipal bond insurance policy. In the event the payment of principal and interest on the Bonds is insured pursuant to a Policy issued by an Insurer, and as long as such Policy shall be in full force and effect, the City and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Insurer upon payment of the Bonds by the Insurer, amendment hereof, or other terms, as approved by the Mayor on advice of counsel, his or her approval to constitute full and complete acceptance by the City of such terms and provisions under authority of this Section.

Section 29. Publication of Ordinance. A full, true and complete copy of this Ordinance shall be published within ten days after passage in pamphlet form by authority of the Corporate Authorities.

Section 30. Superseder. All ordinances, resolutions and orders, or parts thereof, in conflict herewith, are to the extent of such conflict hereby superseded; and this Ordinance shall be in full force and effect immediately upon its passage and approval.
